# PEIP Advantage HSA Family Plan Cost Level 1 Blue Cross Blue Shield of Minnesota

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

# Coverage Period: Beginning on or after 01/01/2023 Coverage for: Individual/Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>bluecrossmn.com</u> or call 1-866-873-5943. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary</u> or call 1-866-873-5943 to request a copy.

- <u>Out of Network</u> Point-of-Service (POS) coverage is available only for members whose permanent residence is outside the State of Minnesota and outside the service areas of the health plans participating in Advantage. This category includes employees temporarily residing outside Minnesota on temporary assignment or paid leave [including sabbatical leaves] and all dependent children, including college students, and spouses living out of area.
- <u>Employees who live and work out-of-area</u>. Employees whose Permanent Residence and principal work location are outside the State of Minnesota and the service area of the PEIP Advantage Health Plan may receive Cost Level 2 benefits in the area of their Permanent Residence if they obtain services from the PPO of the Claims Administrator with whom they are enrolled. If a PPO provider is not available in their area, they may receive Cost Level 2 benefits from any licensed provider in their area. If a PPO provider is available but not used, coverage will be limited to the point-of-service benefits (\$1500 Single/\$3200 Family deductible, 30% coinsurance).

| Important Questions   | Answers  | Why this Matters:  |
|---|--|--|
| What is the overall<br><u>deductible</u> ?                                | <ul> <li>\$3,000 individual / \$3,200 family medical and drug<br/>in-network</li> <li>\$1,500 individual / \$3,200 family medical and drug<br/>out-of-network</li> </ul> | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u><br>amount before this <u>plan</u> begins to pay.<br>If you have other family members on the <u>plan</u> , each family member must meet<br>their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid<br>by all family members meets the overall family <u>deductible</u> .                                  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. Well child care, prenatal care and <u>in-network</u><br>preventive care services are covered before you<br>meet your <u>deductible</u> .                            | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits</u> . |
| Are there other<br>deductibles<br>for specific<br>services?               | No   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u><br>limit for this plan?                  | <ul> <li>\$5,000 individual / \$6,000 family medical and drug<br/>in-network</li> <li>\$5,000 individual / \$6,000 family medical and drug<br/>out-of-network</li> </ul> | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |

| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billing charges (unless balanced billing is prohibited), and health care this plan doesn't cover.                       | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u><br>limit.   |
|---|---|--|
| Will you pay less if you<br>use an <u>in-network</u><br><u>provider</u> ? | Yes. See <u>https://www.bluecrossmnonline.com/find-a-doctor/#/home</u> or call 1-866-873-5943 for a list of <u>in-network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>in-network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | Yes   | This <u>plan</u> will pay some or all fo the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayment and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
