Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, please contact your Group Administrator.

Understanding the benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Please contact your Group Administrator for information on how to receive a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding important rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Frequently asked questions

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, contact your Group Administrator and ask for the *Evidence of Coverage* (EOC).

Who can enroll?

You can enroll in Group Platinum Blue if you are enrolled in Medicare Part B (or have both Medicare Part A and Medicare Part B) and live in the plan availability area, which includes the following counties: Aitkin, Carlton, Cook, Goodhue, Itasca, Kanabec, Koochiching, Lake, Le Sueur, McLeod, Meeker, Mille Lacs, Pine, Pipestone, Rice, Rock, Sibley, St. Louis, Stevens, Traverse and Yellow Medicine. Some exceptions may apply. Counties are subject to change annually. Please contact your Group Administrator for more information.

What is a group platinum blue cost plan?

Group Platinum Blue Cost plans are private Medicare health plans. They have a yearly limit on your out-of-pocket costs, and once you reach this limit, you'll pay nothing for covered services.

To see a complete list of the services and benefits, please review the EOC. Please contact your Group Administrator for a copy of the EOC.

How do I find an in-network doctor or hospital?

The Group Platinum Blue network offers a large list of providers covered under the Group Platinum Blue plan. You may pay less when you use doctors, hospitals and other providers in this network. You can see or order the plan's provider directory at bluecrossmn.com/Medicare-Documents.

Healthcare terms

Allowed amount – The contracted rate, or Blue Cross discount, set by your plan and providers when you use in-network hospital, clinics or pharmacies. Providers are required to accept the allowed amount as payment in full and cannot charge above it when you see an in-network provider.

Annual physical exam – A yearly preventive visit with your primary care doctor that includes a discussion about your health, a review of your medical history, screenings, immunizations and some lab work.

Copayment or Copay – The set dollar amount you pay each time you receive a service.

Coinsurance – A set percentage you pay toward health care.

Deductible – Amount you will pay in one plan year before coverage begins.

In-network – The hospitals, clinics and pharmacies that are included in your plan. Typically, using in-network providers results in lower member costs.

Maximum out-of-pocket amount – The most you could pay in one plan year for covered medical services and supplies.

Medicare annual wellness visit – An annual visit with your doctor after you've been enrolled in Medicare Part B for at least 12 months. This visit includes a review of your medical history, screenings and personalized health advice, and a checklist of appropriate preventive services.

Out-of-pocket costs – The amount you must pay for eligible health care. It includes copays, coinsurance and deductibles, plus any costs for care that is not covered.

Out-of-network – The hospitals and clinics that are not included in your plan. Typically, using out-of-network providers results in higher member costs.

Premium – Your monthly payment for a plan.

Prior authorization – Approval in advance to get services.

Total charge – The amount the provider charges for services before a Blue Cross discount (allowed amount) is applied.

Welcome to Medicare visit – A one-time preventive visit within the first 12 months of your new Medicare Part B plan. This visit includes a review of your medical history, screenings, vaccinations and a discussion of preventive services available to you that you may need.
