Introduction

This directory provides a list of Platinum Blue's network providers. The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Platinum Blue Cost plans do not require members to obtain a referral or authorization (except for some select services as listed in your Evidence of Coverage (EOC) for medically necessary services covered by the plan. You have the flexibility to change providers at any time.

Your plan allows you to get services from out-of-network providers. We will then pay any applicable Medicare coinsurance and deductibles for covered medically necessary services on your behalf (excluding copayments). If an out-of-network provider sends you a bill that you think we should pay, please contact Customer Service. Generally, it is best to ask an out-of-network provider to bill Original Medicare first, and then to bill us for the remaining amount.

Routine care received from an out-of-network provider will not be covered by our plan. In these cases, you will pay the cost-sharing amounts under Original Medicare.

Your plan includes a supplemental extended absence benefit, also called a travel benefit. This allows you to have continued coverage from your plan when you are out of the service area (but within the United States and its territories) for up to nine months. In addition, your plan also allows you to obtain dialysis treatment from any qualified dialysis provider even if out of the service area.

Your plan allows you to obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plans service area or when network providers are unavailable.

We feature a large network of health care providers. Each provider is an independent contract and is not our agent.

What is the service area for Platinum Blue?

The counties in our service area are: Aitkin, Carlton, Cook, Goodhue, Itasca, Kanabec, Koochiching, Lake, Le Sueur, McLeod, Meeker, Mille Lacs, Pine, Pipestone, Rice, Rock, Sibley, St. Louis, Stevens, Traverse, and Yellow Medicine counties in Minnesota and the bordering counties of Iowa, North Dakota, South Dakota, and Wisconsin. .

How do you find Platinum Blue providers that serve your area?

Providers in the plan's network are listed in this directory in sections by the type of provider: Primary Care Providers, Hospitals, Home Health Care, Skilled Nursing Facilities, Outpatient Rehabilitation, Ambulatory Surgery Centers, and Urgent Care Centers and Specialists.

To locate a provider, look in the section that contains the type of provider that you are seeking, locate your county, and the city (or city nearest you). If you cannot find a provider using the directory, our Customer Service department will help you locate one.
